What Our Customers Are Saying:

"I recently had the pleasure of joining a half-day fishing trip with Davey's Locker, and let me tell you, it was nothing short of amazing! From the moment we boarded the boat, I could tell it was going to be an unforgettable experience. The crew was friendly, knowledgeable, and went above and beyond to ensure everyone had a fantastic time!"

~ Jason F, Houston, Texas

"I decided to surprise my husband with an electric boat rental for our anniversary. The on-the-dock service provided by your team was amazing. We felt so comfortable. The boats were very high end and the live navigation maps for our phones made cruising Newport Harbor as easy as pie. We can't wait to go again!"

~ Gloria, Costa Mesa, California

"This cruise will always be memorable for me, watching dolphins swim in their natural habitat was just awesome!! I would highly recommend if you haven't visited, this trip is worth going for and creates a great experience for you and your family! Also the staff are very accommodating, I missed my 1st session and they put me in the next session the same day! Thanks to the awesome team!"
